**Public Workshops Scheduled to Discuss Future Growth of The Arboretum**

The Los Angeles County Department of Parks and Recreation and the Los Angeles Arboretum Foundation announce that two workshops have been scheduled to discuss the development of a long-range conceptual plan for The Arboretum. The meetings will be held at Ayres Hall located at the Los Angeles County Arboretum & Botanic Garden.

On October 28 and November 6, both Thursday evenings, from 6:30 to 8:00 p.m., public input will be sought as a tool to guide the future growth and development of The Arboretum. The Department and Foundation are inviting neighbors of the facility and other interested community members to share their thoughts and ideas in order to create the best plan possible for The Arboretum.

The Los Angeles County Arboretum & Botanic Garden is located at 301 North Baldwin Avenue in Arcadia. For further information about the upcoming meetings, please contact Tim Phillips at (626) 821-3234.
